Subject: Re: Amphenol Storm Sewer

Hi Carolyn

I am off today and out of the office. I will be back in tomorrow but Chris might be able to track down some of the information you are requesting today. I can be reached by cell phone if you need to speak today though.

Hi Brad,
IDEM is asking about the storm sewer used by the former Amphenol property.
Do you or Chris have time today to prepare a table of historic and recent data from the storm sewer that discharges to Hurricane Creek, including sampling of the outfall and manholes?
Also, any historic or recent surface water data.
I'll give you a call.
Thanks.
Carolyn
